Country of last processing	Tunisia
Last update	08-04-2024
This product is	Organic and not genetically modified or irradiated

Production	
Ingredients	Organic dates; variety Deglet Nour
Additives	No additives
Process	Dates are produced as follows and according to good manufacturing practices: They are picked at the appropriate stage of maturity, disinfected and then stored in a cold store. They are then separated from the branches, sorted and cleaned so as to eliminate defective units and foreign matter and rid of the perianth (cup). Each date is pitted (manually split and the stone removed). Dates are packaged in divisional or bulk food grade packaging. The wrapped dates pass through a metal detector before being labeled and palletized. Packaged products are stored in a cold store until shipment.
